

MEET THE MANAGERS

Bringing Investment Professionals Together

Arik Star
Portfolio Manager
Ellerston Capital

Arik joined Ellerston in 2014 and is the Portfolio Manager for Ellerston's listed investment company, Ellerston Global Investments Ltd.

Arik has over 25 years financial markets experience with 14 years of global equity investing experience. Prior to joining Ellerston, Arik was a principal of Kira Capital, a private Melbourne based investment management firm with a focus on global equities that he founded in 2005.

Previous experience included working at Consolidated Press Holdings and prior to that, Thorney Holdings, which Arik joined in 1996.

In addition to specific investment management experience, Arik has broad investment experience, having also worked in corporate advisory, project and structured finance and merchant banking roles.

Arik has a Bachelor of Banking and Finance degree from Monash University.
