

# MEET THE MANAGERS

Bringing Investment Professionals Together

**Darren Howlin**  
Director and Founder  
**Research IP**

Darren is the Director and Founder of Research IP

Prior to that he was Research Manager at Lonsec, involved in the review of funds across all sectors. His primary responsibilities were the development and management of Lonsec's New Zealand operations and global strategy.

Prior to that, Darren spent five years as National Research Manager for Professional Investment Services (PIS) and was involved with the offshore PIS businesses in New Zealand and Asia. Darren has also worked for Suncorp as a Product Research Adviser.

FundSource's qualitative research is conducted by independent research company, Research IP Pty Ltd. Research IP was founded in 2015 as a special purpose financial services vehicle.

Research IP is able to provide innovative and tailored financial services solutions to the market place.

Darren's qualifications include DipEng – Electronics, DipFinPlan, GradDipAppFin
